June 2019

Linowes and Blocher Partner and Environmental Practice Group Leader, Jim Witkin, spoke recently in Atlanta, Georgia at the American Bar Association's Master Class on Complex Environmental Liability Resolution. Jim was on the panel titled *"Federal vs. State Liability Protections and Due Care Obligations During Property Acquisitions: How "Certain" is Certain?"* (His answer—not very certain). The conference was sponsored by the ABA's Environment, Energy, and Resources Section.
