Press Release

NAIOP's MD/DC Chapter recognizes Stephen P. Elmendorf as their 2012 Member of the Year. This year NAIOP has chosen to honor someone who accepted their challenge and delivered a significant advancement in the level of support they offer to their members and in NAIOP's influence in the commercial real estate industry. Mr. Elmendorf has overseen a total transformation of NAIOP's legislative support efforts at both the local and State level. He has established a robust legislative committee, began "The Seat at the Table" Series of legislative roundtables with prominent local officials. Additionally he has overseen the reenergizing of NAIOP's State of Maryland legislative strategy such that they are now partnered, very effectively, with the NAIOP Maryland Chapter resulting in one powerful and unified voice in Annapolis. As members have noted "it has been a game changer for the Chapter."
