Parker Moderates Bisnow's Prince George's County Event

Attorneys

Midgett S. Parker, Jr.

August 16, 2012

Press Release

Midgett S. Parker, Jr., Partner at Linowes and Blocher facilitated an upbeat and interesting discussion with this prestigious group of real estate executives regarding development opportunities in Prince George's County. Overall, the County is poised to create more vibrant communities as it is underserved by retail, has affordable office opportunities, and has capacity to develop numerous mixed-use sites around its underdeveloped Metro stations.
