Brown Moderates Montgomery County State of the Market

February 20, 2014

Todd Brown, Partner with the Firm, moderated one of two panels at the Montgomery County State of the Market Seminar today in Bethesda with over 400 attendees. Esteemed panelists included Montgomery County Executive Ike Leggett, Rich Bendis, President and CEO of BioHealth Innovations, Phillip Schiff, CEO of the Technology Council of Maryland and Brigg Bunker, Vice President of Foulger-Pratt. Topics of discussion ranged from the state of Montgomery County's economy to job growth, innovation and regional competitiveness.
